Thanks Paul,

Paul – I may need to wait to see the Clewell 2020 and peer view before doing a micro-edit

## Ex. 5 Deliberative Process (DP)

Let me know if we need to touch base...

## Ex. 5 Deliberative Process (DP)

Hopefully done with that today.

Also have drafted text on the epidemiological issues – that took work to sort through – but it needs some editing before reviewable...

Anyhow, pieces are coming together and don't see holdup in having product for Monday.

Paul
